

Unmissable meetings and classes

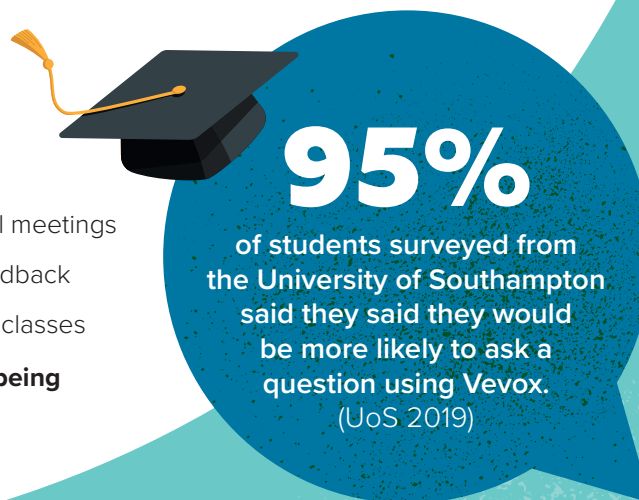

Vevox brings out the best in presenters and audiences, giving everyone an equal chance to be heard whatever their role or location.

Honest uninhibited feedback is received through intuitive live polling, text Q&A, quizzes and self-paced surveys on any internet enabled device.

Used in meetings and classes, this fear-free interaction helps students or colleagues to ask questions, suggest ideas, make democratic decisions and have fun whilst learning. Anonymity ensures people feel included and empowered to participate. Moderation features ensure presenters maintain control.
